

APRIL, 2017

“Mardi Gras” translates as ‘Fat Tuesday’ but that doesn’t sound nearly as appealing. It is followed by Ash Wednesday and signals the beginning of Lent. We know Mardi Gras better by the term Shrove Tuesday or Pancake Tuesday. Then after the excesses came a period of restraint, preparation and strengthening of faith for Easter.

In Jesus’ day there were three great pillars to Jewish religious life, almsgiving, fasting and prayer. If you did these three things you were regarded with a respect bordering on reverence. On almsgiving, people might still remember the term “almoner” often associated with a hospital whose job was to disburse funds to the poor and needy. In Jesus’ day the streets were full of beggars, especially on religious festivals and around the Temple and synagogues and they depended on the giving of religious people. No doubt this was often compassionate but we know it was often done for show. Jesus’ message was clear. Give in a way that is personal and private and does not try to impress anybody else.

The second thing was fasting. This is no longer seen as a part of religious faith, although still practiced in other religions. The practice would clearly free up time and resources in preparing and eating the food and it would sharpen the senses, but again a sincere and meaningful religious practice was corrupted. Some would rub ash on their faces to make them look pale and hungry in an effort to impress passers-by. Again Jesus instructed people to be discreet and private. Perhaps today we would commend self-control as a general principle, a denial, delayed gratification which would help us to feel in charge of our drives and appetites rather than driven by them. With media encouragement, our modern world of plenty can produce a life that is driven by a desire to indulge ourselves. Withdrawal from alcohol, meals out, spending, social media, have all been used as a modern form of fasting. Clear the head, slow down, enjoy inner space, silence and the beauty of Spring.

Prayer in Jesus’ day was often a public act on street corners and especially around the Temple and other holy sites, praying loud and long, hands in the air, rocking to and fro. Again something good became corrupted, public display becoming more important than private devotion. For Jesus long prayers were a curse. A prayer offered in a Boston church was once described as ‘the most eloquent prayer ever offered to a Boston audience’. When we worry most about how a prayer sounds or what it contains, it becomes an ego trip. That is not a temptation today but the emphasis on sincerity and private faith is still relevant.

For all of these things the message really was ‘Your Father who sees what you do in private will reward you’. So we can think of our faith as having three pillars, generous giving, self-restraint and private prayer and Jesus has a word for us in Matthew Chapter Six.

We might not do the same as they did in Jesus’ day but we should certainly think carefully about our response to the message and teaching of Jesus in our own day and age and there is no better time or season to do that than in the lead up to Easter. Most of Lent is now past and we come again to the familiar hymns, readings and themes of Palm Sunday, Holy Week and Easter Sunday. This is a good time to give generously to someone or some cause – the dreadful crisis in Africa at present or nearer to home the much needed Foodbank. Some chosen exercise of self-denial or restraint and a determination to fulfil some prayerful routine might be helped by a home routine or attending one or more of the Holy Week services. We no longer gain respect or approval for any of these things so we should do what we believe is right for its own sake, a response to God’s love given to us in Jesus, encapsulated and expressed in the Easter story.

Happy Easter

Ken

**Session Clerk's Report for the 2016 Annual Meeting
held on Sunday 19th March 2017**

In the first quarter of 2016 St Bryce Kirk was busy finalising the work on replacing heating boilers, roof repairs and energy efficiency installations such as insulation, draught-proofing, automatic doors and new LED lighting. The rest of the year was concentrated on the new Climate Challenge Fund grant project for work on secondary glazing on the downstairs windows. The new Environment Team was set up to deal with the new targets set by the Climate Challenge Fund for the new Action on Climate Change project with an end date of March 2017. Work was also started on the necessary steeple repairs. Redecoration of the Foyer and Coffee Bar was completed early in the year and was financed by moneys raised by the Redecoration Fundraising Team and by the Fellowship Team's Soup Lunches.

These projects involved an extraordinarily large amount of work by a small number of members, to whom we are extremely indebted.

All this took place on top of the work and business of the various church groups and the Centre.

In June 2016 the Kirk Session met in conference to discuss "Second Vision" led by Rev Scott Burton from St Matthew's Church in Perth. We discussed the main issues affecting us and our church today, with regard to the congregation and the community. This discussion would be followed up in another conference in 2017.

In our Local Church Review forward plan we successfully dealt with Stewardship viz Money covered by 2016 redecoration fundraising events and Time and Talents also covered by fundraising events.

All the Teams had a very busy year as follows:-

- Fabric - The Team has continued to support and supplement the work carried out to make the church wind-and-water-tight and to make it more energy efficient. A new automatic back door was installed.
- Fellowship - This Team continued to hold monthly Soup Lunches after the morning service raising funds for various charities and also for the redecoration of the church,
- Finance - The Team continued to liaise with the Fabric Team since this was where the greatest income/expenditure was taking place. The income from offerings had fallen again last year.
- Media/Outreach - The church newsletter, *Cornerstone*, was distributed to members throughout the year. The booklets relating to different aspects of the Church were updated. A Working Group was set up to investigate employing a professional to set up our website and provide training.
- Pastoral Care - The Summer Tea and Carol Tea for the elderly in the church continued to provide a welcome treat and occasion for meeting old friends. A small number attended an extra Easter Service followed by afternoon tea. The Telephone Team continued to call members to keep them updated with church news and maintaining a vital link with the church. The Kirkcaldy FoodBank provided food parcels for a huge number of people in the town, St Bryce being a satellite for distribution of parcels.
- Worship/Education - We enjoyed the input and friendship from Dawn Laing, a student for the ministry, from September 2015 until May 2016. "Talking Theology" Saturday morning sessions throughout the year, led by the Minister, were well attended. A Lent Study was held by the town centre churches. The Wednesday Bible Study Group continued to be regularly attended. Services continued to be held in Gowrie House only. Holy Week services, summer services and the New Year service were all shared amongst the 4 town centre churches.
- Young Church - Once again the Young Church Team have taken part in Sunday Services on a regular basis and helped to plan the Family Service at Christmas. They organised a successful Mary's Meals Backpack appeal and continued to support a child, Humberto, through Plan International by collecting around £200 each year. The Summer Outing and Christmas Party proved to be most enjoyable. The leaders have continued to nurture all our church children throughout the year. Alison Carson stepped down as Young Church Convener and was thanked for her years of service. She was replaced by Kirsty

Robertson as Young Church Coordinator with Allison Wilson taking on the role of Young Church Administrator.

Centre Management - The St Bryce Centre continued to be a valuable asset in the local community, providing meeting places not only for church groups but also for community and charity groups. The Day Centre Services have taken over one of the porta-cabin offices and the small hall on a daily basis providing a steady income for the Centre. Fife College held its Graduation Ceremonies successfully in the sanctuary once again in 2016. Various large groups held seminars and conferences, with the kitchen often providing catering. Over 50 smaller groups met regularly in the halls and rooms in the Centre. The Coffee Bar, which is manned by volunteers mostly from the congregation, continued to provide a welcoming food venue.

The first Environment Team drew to a close at the end of the first project in March 2016. Most of the targets were met and some were carried over to the new project. The new Environment Team was set up to oversee all the activities related to the new Climate Challenge Project, "Action on Climate Change", which began in April 2016. The new project dealt primarily with Food Miles, Food Waste, Recycling and Community Awareness. A whole host of events and activities were organised to meet these targets.

The Redecoration Fundraising Team was set up to plan and organise fundraising events for the redecoration of the Church and Centre. Initially a target of £25,000 was set, though this was considered to be rather ambitious. Funds came in every month from the Soup Lunches and then from various events organised by the Team and supported by the congregation and friends. This Team had an end date of December 2016. However, by then the total stood at over £31,000 with money still coming in!

The Eco-Congregation group was added to the list of Church groups reporting to the Kirk Session and began the process of applying for the first Eco-Congregation Award.

The Guild continued to hold their fortnightly meetings and carried on their valuable work to raise funds for their annual Project as well as donating a substantial amount to the Church and Centre.

Safeguarding Coordinator - Anne Hunter has updated the Safeguarding Register to include those now in the Protection of Vulnerable Groups Scheme and arranged the necessary training for the relevant new volunteers. A Panel Meeting also took place during the year.

Presbytery Elder - Isobel Greenaway kept us up-to-date with Presbytery matters via the Précis, which is published 4 times a year, and through links to internet sites.

Helen Henderson retired from being the "Life and Work" Coordinator and was thanked for her invaluable service to the congregation. She was replaced by Lorna Givens.

Helen Mitchell took on the role of Learning Disabilities Contact Person and attended an informative, worthwhile conference.

Prayer Promoter - Stephen Moy continued to be available to anyone who needed him.

The Christmas Collections were for Let Us Build A House in Nepal and for The Yard in Kirkcaldy. However, almost £3000 was raised for other charities including Scotland HIV Programme, Christian Aid, Fife Migrant Forum and KART as well as the 2 charities at Christmas.

Finally, I'd like to thank all members of all the Teams who willingly gave their time and talents to our church. Thank you, one and all.

Andzia Wilson, Session Clerk

Environment Team

It is a year since the Environment Team was set up to address all the outcomes agreed by the Climate Challenge Fund, in order to qualify for the grant to install secondary glazing on the outside of all the downstairs window in the Centre. We received £52,456 for our project Action on Climate Change. This project was to run for 12 months from 1st April 2016 to the 31st March 2017.

Throughout the year the Environment Team planned and organised a variety of events and activities including

- Compiled a case study to join the Energy Saving Trust's Green Business Network
- Encourage Fife College Department of Hairdressing to include their Green Salon in the GBN
- Home Energy Audits in association with Greener Kirkcaldy
- Research and compile a "Buy Local" leaflet
- A Food Awareness Week in the foyer including produce supplied by Fair Isle Primary School and members of the congregation
- A Public Information Evening on the implications of the Paris Conference on Climate Change with MSPs and Fife Council representatives
- A Public Presentation on Food Miles/Food Waste entitled "Saving the Planet, 3 Times a Day"
- A Soup Lunch
- Creative displays on the Notice Boards
- Grow Your Own workshops with Greener Kirkcaldy
- Sewing Classes and Computer Repair classes with Greener Kirkcaldy
- 3 Cookery Demonstrations on Locally Sourced Produce, Creative Left-Overs, Vegetarian Cookery in conjunction with Fife College
- A Local Larder Banquet in conjunction with Fife College
- Too Good to Waste workshops with Fair Isle Primary School and a Brownie Unit
- 2 Closet Clearance campaigns with goods recycled to Cancer Research, Barnardo's and Chest Heart & Stroke charities
- Monitoring Recycling in Centre
- Compiling and selling "Food For Thought" Recipe Books
- Bulb Bank promoted again
- Collection in January of Christmas cards which were taken to M&S collection box for the Woodland Trust. M&S pledged to plant a tree for every 1000 cards collected.
- Seeds for Young Church event

I would like to thank all members of this Team for their dedication and hard work in making this a successful project and to thank the congregation and friends for their support throughout the year.

KIRKCALDY FOODBANK

The need for our assistance is increasing week by week. In 2014 we gave out 1369 food parcels, in 2015 we gave 1610, and in 2016. we gave 2626. These figures are for 11 months each year as we are closed for two weeks at Christmas and July

In January this year we issued 263 food parcels, in February 304, and in the first two weeks of March 162. You can see how many people are in desperate situations.

It used to be single people who made up the majority of our clients, but we are now seeing a large number of families .

Changes to the Benefit system, poorly paid or part time work mean that so many people find themselves in desperate situations. Many manage to struggle for a short time, but an unexpected bill (e.g. washing machine repair) leaves them with no money at all. This is where a visit to the Foodbank can at least mean they can have food for a few days. We can also give information about where they can go to make sure they receive the correct Benefit, get help to sort out their debts, find out if they can change to a better energy supplier. Sometimes they just need someone to listen to them.

All volunteers are at present undertaking training to ensure clients are treated the same at each distribution point, how to deal with difficult situations, and what qualities all our volunteer have that enables them to help our clients. The sessions are proving to be informative and gives everyone the chance to air any queries they may have. It is very rarely that volunteers from all the sections of the Foodbank get together as we all work on different days and in different places. A big thank you is due to all our volunteers.

St. Bryce is the largest distribution point as we are open for 29 hours each week.

Most other places open for at most 3 hours per day, and some only one day per week.

Of course we could not operate without the generous donations of food from so many people in Kirkcaldy. We are all truly grateful for this amazing support but as our client numbers grow so does the amount of food required. Please, if you can, put something in the trolley in the foyer. A list of food items is displayed on the door in the foyer.

Thank you

Val Malcolm

Fellowship Team

Our Hallowe'en lunch on 30 October was very well received with the children particularly enjoying the crafts and the dooking for apples. We raised £253 that day and added £2 more to it, so that we sent £255 (with £90 gift-aided), in the congregation's name, to Christian Aid for their Haiti Emergency Appeal following Hurricane Matthew's devastation of the island.

The Christmas Soup Lunch on 18 December was also very well attended with lots of activities and crafts on offer, and brought in £192 which was added to the congregational collection for 'Let us Build a House in Nepal'.

The January event, our Souper Sunday, was busy too, and raised £232 on the day. We added £18 from the 'kitty' so that we sent £250 to the Kirk's HIV Programme, almost half of which was gift-aided which should have added a bit more.

We have all been moved by the sad pictures of the families starving in the East African countries, and so the Fellowship Team decided to appeal for funds to alleviate their suffering. At the Soup Lunch on 26 March, £293 was donated and we have added £207 from our existing funds so that £500 has been sent in the name of the congregation to the Disaster Emergency Committee for the East Africa Famine Appeal which should be match-funded by the government, thus doubling the amount. Thanks go to all the soup makers and providers of the other foods and goodies that are on offer, and special thanks to all who support our lunches and enjoy sampling the various soups. We usually try to provide lunch on the last Sunday of every month, and we are considering doing a Saturday Afternoon Tea in the summer - so watch out for the intimations on the website and on Facebook, as well as on a Sunday service sheet. And if you'd like to get involved in any way, please don't hesitate to contact us - no offer of help is ever turned away!

THE GUILD

As we near the end of our session let us reflect on the last few meetings. We finished at Christmas with our Finance Meeting which was followed by a Snowman Drive which gave us quite a laugh.

We started the New Year with a speaker from our project "Prospects: All Friends Together." It was interesting to hear of the work that is being done to help people with learning disabilities feel part of the Church Family. We sent a cheque for £740 for our project : £315 from Soup Lunch in November, £85 from Bring and Buy and £340 from Civil Folk Concert. Thank you to everyone who helped us to achieve this wonderful total.

We also had a Burns Supper with a difference - stovies instead of haggis - and Dorothy entertained us with a few fine poems and Leila Malcolm performed some Highland dances for us. It was a most enjoyable evening.

In February we had Wiltshire Farm Foods who gave us some tasty food to try and the aroma in the small hall was mouthwatering.

Next was our concert with Civil Folk. They never disappoint and a good night was had by all. It was nice to be with friends and to come together with friends from other Guilds.

In March we had a talk on Combat Stress. It was very enlightening and gave us an insight into how the Military deals with the stress caused by fighting in foreign countries.

By the time Cornerstone comes out we will have had our Coffee Morning and hopefully it have been as successful as our last one. The money we raise from Coffee Mornings gets divided between charities from which we have had speakers. This year we have given to the following : Macmillan Cancer Support £100 ; Erskine Hospital £100 ; Friends of Tabitha £30; Canine Partners £100; Leprosy Mission £100.

We have also given £1300 to the Church towards setting up a new website. We can't manage this without your help and so thank you for your support.

We have our Annual Business Meeting on 4 April with entertainment. Then on 28 April "Working towards Fulfilment." We conclude this session with a meal out at Fife College on 9 May.

The total from the Guild Coffee Morning is £663.85. Thank you to all who supported us and a big thank you to all who baked and served on the day.

Please come along and join us for Fellowship and a nice cup of tea.

Redecoration Fundraising Team

This Team was set up at the end of 2016 to raise funds for the Redecoration of the Church and Centre and was to run for a year. Our optimistic target was £25,000, but by the end of 2016 we had raised over £31,000 with moneys still coming in. To date the total is £35,459!!

This total was achieved through various activities and events planned and organised by the Team throughout the year, including

- Wine Tasting evening
- Afternoon Tea
- Silent Auction
- Indoor Car Boot and Craft Sale
- Change For Church pots
- Leap Year Sale
- Film Night
- Royal Tombola
- Giving Envelopes Appeal

Once again, I would like to thank all members of this Team for their dedication and hard work in making this such a success and to thank the congregation and friends for their support throughout the year.

WHAT IS LIFE?

Life is an opportunity, benefit from it

Life is beauty; admire it

Life is bliss, taste it

Life is a dream, realise it

Life is a duty, complete it

Life is costly, care for it

Life is wealth, keep it

Life is love, enjoy it

Life is a mystery, know it

Life is promise, fulfil it

Life is sorrow, overcome it

Life is a song, sing it

Life is a struggle, accept it

Life is a tragedy, confront it

Life is adventure, dare it

Life is luck, make it

Life is too precious, do not destroy it

Life is life, fight for it

Celebrating success of Kilmarnock Mental Health service

Later this year Morven Day Services, a mental health service for adults run by CrossReach, will celebrate 25 years of working in Kilmarnock and East Ayrshire. A number of events are planned, the first of which was the presentation of the Customer Service Excellence award to manager Liz Twigg by Robert Sullivan (Chief Executive of CSE). Among those attending were local politicians Willie Coffey MSP and Alan Brown MP as well as councillors and representatives from East Ayrshire Health & Social Care Partnership. Morven works with adults who are

experiencing some form of mental health problems. The centre offers different activities such as arts and crafts, plus volunteer opportunities in a safe, secure environment for adults who are ready to take the next step. The achievement of gaining the CSE award highlights the excellent person-centred approach this unique service provides, whilst always evolving to fit the needs of the people who use the service, such as Debbie who said: "It's a great service which really deserves recognition." Manager Liz Twigg commented: "Morven Day Services' achievement of CSE acknowledges the quality of innovative services provided and it is greatly encouraging in maintaining our focus on supporting individuals to achieve their goals. We look forward to collaborating with East Ayrshire Health & Social Care Partnership to improve even further."

Targeting funds to help Children and Families

On Sunday 28th May a group of 15 fearless CrossReach staff and volunteers will be abseiling from the Forth Rail Bridge to raise funds for CrossReach's Children and Family services. Now in its 8th year, this fantastic event supports worthwhile causes across Scotland. In 2017 we are hoping it will make a difference in the lives of children and families who are supported by CrossReach services like Daisy Chain Early Years Project, Sunflower Garden and our Perinatal Depression counselling services. Can you help us reach our target of £3,000? Please sponsor our abseilers by visiting: www.justgiving.com/crossreachchurch. Thank you!

CrossReach Christmas Card competition

Have you entered the CrossReach Christmas Card competition? There's still time as the closing date is **Monday 27th March**. This year there are two categories – one for children up to age 14 and one for adults. The winning designs will be available to buy through our 2017 Christmas catalogue. The two winners will also receive a supply of their cards. The competition is open to supporters of CrossReach of any age. For all the competition details and the address to send your entries, please see the poster on the other side of this sheet.

EASTER HOLIDAY CLUB @ TORBAIN PARISH CHURCH

Chris will be leading an Easter Holiday Club at Torbain Church.

The club will run from 10am – 12 noon on Monday 10th April to Friday 14th April. The holiday club is for all primary school aged children.

Please pray for the team helping run the holiday club and pray for all children who take part. Pray that the holiday club is well publicised and well attended.

Please Pray

- Pray for all chaplains leading assemblies in the lead up to Easter. Pray that God uses what they say to help children to learn more about God's love.
- Pray for all volunteers who run SU groups. Pray for God to encourage them in the important work they do. Please also pray for new SU groups to start in more of our schools.

Activity Day

Over the past few years several churches have run Activity Days. These are held on school In-Service days and are a great way of holding a one day holiday club to give children a taste of what to expect at a church holiday club.

If you are interested in holding an Activity Day please do contact Chris.

We would love to see this work increase and hope that you will get in touch and reach children in our community in this way.

If you would like to contact Chris:

We thank God for all churches and individuals for their continued and precious support.

FEBRUARY WEEKEND AT LENDRICK MUIR

It was so encouraging to see 15 children attend the P5-S6 February Weekend at Lendrick Muir. Here is an excerpt from a local church who sent some kids to the camp.

"We were blessed to be able to send 6 kids from our church to the February weekend at Lendrick Muir.

They had a fabulous time and we're praying we can send them to the summer camp too.

This is what one of our teenagers said " Songs were amazing because they really helped me trust in God. The leaders were really nice and the bible studies were great".

This Sunday the kids showed the church one of the songs they learned. It was called 'My Lighthouse' by Rend Collective. The actions were great too.

Thank you Chris and Bruce. Can't tell you how encouraging it is to see young ones on fire when they return from camp."
