"There is a job to be done."

We need to reclaim and re-define the term "Christian"

"*Christian*" is now so often attached to those who are on the lunatic fringe, the fundamentalist, the extremist, those whose need for a simple certainty is greater than their desire for a complicated truth. They resort to black and white definitions, simple slogans, and to condemnation of anyone who disagrees with their version of what a Christian is. Sadly, many today think that that is what a Christian is.

Stop Press

"A Christian has been found guilty of threatening or abusive behaviour after preaching that *Santa* was a lie, in a busy shopping centre just days before Christmas.

John O'Neill also said children would go to *hell* while "preaching the Gospel" at Braehead Shopping Centre, near Glasgow."

This does not describe my faith, my views on life or my way of behaving and I am sure that would be said by the vast majority of those who attend church Sunday by Sunday.

There is a time and a place to call out our culture's values where we, as Christians, see they are hollow or debased for that is what Jesus did when he attacked the Priests and the

Pharisees for their legalism and hypocrisy. We know that, questioning established beliefs, often evokes hostility.

This was a something that Jesus encountered and is a big part of why the establishment of the day turned against him and decided to remove him from the scene.

The faith of the early Christians was expressed in terms that bear little relevance today, a lamb, slaughtered on the altar; a prisoners' freedom bought with a ransom, and much of this has become enshrined in the words of much loved Easter hymns.

When these traditional ways of expressing faith are questioned, there are some who become hostile.

But Jesus gave us teaching by word and example and called us to follow him. It is not that complicated and there is no need to cause offence or to take offence. There is a crying need to restate the importance of Jesus for the world in a caring reasonable and relevant way.

In his day, he radically changed and challenged their understanding and knowledge of God and that process goes on today.

FINANCE

Once again we had a deficit for the year of £2,448.00. This would have been much larger if we had not been fortunate in receiving £12,000 from the Coffee Bar and a refund of £19,000 from the Ministry & Mission Allocation we pay to Church of Scotland in George Street, Edinburgh.

Offerings are as follows:-

Gift Aid Reclaimed: The tax reclaimed on Gift Aid contributions for 2018 was £15,524.37 compared with £14,877.99 for 2017

GIFT AID: You may feel that we are always harping on about money here in the Church, however, your offering is required if we wish to continue as a Church in and for the Community.

Already Giving Could I suggest an easy way to help increase the income of the church is to Gift Aid your offering. The Gift Aid scheme is for gifts of money by individuals who pay UK tax. The Church receives your offering (which is money you've already paid tax on) and reclaims the tax from HM Revenue & Customs (HMRC).

This means that if you give £10 using Gift Aid, it's worth £12.50 to the church. This is assuming that the amount of Gift Aid claimed on all your donations is not more than the total Income Tax you have paid in that Tax Year.

All that is required is the signing of a simple form and your offering to the Church to be made by either Free Will Offering Envelope, Bank Standing Order or a cheque payable to the Church. This is called the audit trail for Inland Revenue purposes.

What do you do if you can help? Phone me on 265808 and I will answer any questions or if you are happy and want to proceed, I will send you a simple form, which is confidential, to sign and return to me via the Church. I don't need to know your personal situation just that you are a tax payer.

Please give this matter your urgent attention so that we can maximize all offerings to the Church. REMEMBER EVERY £1 YOU GIVE IS WORTH A FURTHER 25p.

Would like to give ?If you are not already giving to **your** church please give this your consideration. You can give by any of the ways mentioned above.

If you are unsure if you have already signed a Gift Aid Form **OR** you have but no longer pay Income Tax **OR** are now paying tax **OR** changed your address, please contact me on 265808.

I look forward to hearing from you and receiving your commitment to our Church.

Kirkcaldy Area Reachout Trust

A Charity registered in Scotland No. SC0 037866

CELEBRATING 10 YEARS

For nearly ten years Chris Beattie has been our key worker for KART providing necessary input into schools and churches in the Kirkcaldy and surrounding area. Chris has worked with hundreds of children and young people and who knows what lives have been touched, changed, challenged and developed through all of that.

“We’re grateful to God for the original vision to work together as churches in the Kirkcaldy area and beyond, to ensure that the good news of Jesus is promoted in our schools and churches amongst children and young people”.

Although Chris has been the main worker, the trust relies heavily on the many, many volunteers who have made a valuable contribution to the vision and mission of KART.

We’re grateful for all the support both prayerfully and financially from individuals and churches all with the desire to see the next generation understanding the good news found in Jesus Christ.

SAVE THE DATE

In August we’re celebrating with a Ceilidh at *Pathhead Parish Church*. We would love to see you there! We’re hoping this will also be a fund raiser as we continue to support the work. *Save the Date* and look out for further details on our website. www.kart.me.uk

OT LIVE

By Jacqueline Mitchell

How do you take a walk through the Bible in a day? That is what we experienced at Newcraigs Church on Saturday 2nd March with the help of Merrill McHoney, our Presenter for the day. We did only (!) cover the Old Testament but it was quite a journey.

Walk Through the Bible OTLive (to give the event its full title) is a unique way of looking at the Old Testament step by step, book by book, in a whole storyline. We learned how everything fits together in God's perfect sense and had fun in the process.

The event was attended by about 50 people from many different churches and part of the joy of the day was the friendship and fellowship shared.

KART are currently presenting a children's version of Walk Through the Bible in a number of local Primary Schools and this is capturing the imagination and teaching these loved Bible stories to young people in a really new and exciting way.

Please pray for this important work being carried out by KART and look out for the next WTTB Live Event.

For less than the cost of a cup of coffee a day you could invest in the work of KART!

We're looking to the future of KART and how we finance the charity so that more and more children in our schools can hear about the good news of Jesus.

We have been grateful for the grants given to us especially from the Joseph Rank Trust for the past three years. As this has now come to an end we would like to ask whether you or someone else could commit to regular giving.

Alongside the local churches we are looking for 70 more people to give so that we can fully support the on going work.

There are four main ways you can give

- Cash gifts or Cheques made payable to 'Kirkcaldy Area Reachout Trust'
- Set up a Standing Order at your bank - Royal Bank of Scotland Account no. 00217699 Sort Code 83-29-01
- Online at www.btplc.com/mydonate (charity name KART)
- By text at JustTextGiving (text to 70070 with the message KART07 £x with the amount you would like to donate eg KART07£10).

Also when you shop online by using the www.easyfundraising.org.uk website (charity name

Kirkcaldy Area Reachout Trust) you are also able to give to the Charity.

A New Volunteer Vacancy on the KART Management Committee!

Maureen Latto

The treasurer of the Management Committee plays a vital role in ensuring that money invested in the work of KART is used wisely. Maureen Latto has been our treasurer for 10 years and would like someone else to step up and take on the role.

REQUIREMENTS

A trustworthy individual who :

- has had some experience of handling figures and budgeting.
- has an eye for detail and is methodical in keeping clear records for submission to the Trust Board and Management Committee.
- feels comfortable working as part of a Finance Team and the individual ability to ensure decisions are taken and followed up.

Could this be you? Get in touch with Maureen - finance@kart.me.uk

Children and young people of any faith, or none, are welcome at all SU Holidays. Every holiday includes an element of informal, lively Christian worship and Bible teaching which everyone attends.

There are still places available for the Indoor Football Camp (6th -9th July) and also the Multi-activity Camp (10th-13th July 2019) both at Lendrick Muir. Spaces are limited so book your place at www.suholidays.org.uk or contact Chris Beattie - chris.beattie@kart.me.uk

Could you help serve KART?

Serve and support on the Management Committee. Members serve for 3 years.

Help establish, support or lead an SU group in a school near you. We are always looking for volunteers to work with Chris.

Become a 'Prayer Champion' in your church. We would like to have every school prayed for on a regular basis. Keep your church up to date with news and be part of a growing network of prayer.

GIVING/FINANCE

Maureen Latto
finance@kart.me.uk

www.kart.me.uk

When the Foodbank opened in St Bryce in December 2014, we thought this would be a temporary solution to a short term crisis. The crisis was not short term and is steadily growing.

During the 5 years we have been in operation we have issued 16866 food parcels.

The number of people seeking our help is increasing and we now issue approx. 180 parcels of food each week. The local employment situation means that there are large numbers of people without work. Even those with jobs are experiencing short term hours. Short term or zero hours contracts also mean a drastic drop in income, resulting in a constant struggle to feed their families.

The majority of our clients are ashamed to come to a Foodbank as they see it as begging. We try to make them feel welcome and give them a listening ear. The Universal Credit Benefit was supposed to help people into employment and give them control of their lives. It has had the opposite effect. The majority of our clients feel they are in a dark tunnel with no light at the end of it. The constant daily struggle affects their health and in some cases causes homelessness and relationship problems.

However, the increasing demand for our services means that we need larger premises. On Monday 1 April we will open at 8 East Fergus Place in the refurbished building owned by Greener Kirkcaldy. This should enable us to have greater stocks of food to meet the demand.

There will be other organisations within the building that can assist our clients with Budgeting, Debt Management, Housing Issues. Cookery, Gardening and Computer Classes will also be available.

We have been very happy at St Bryce and are very grateful to Ken for allowing us to be here.

The members of the congregation have kept the trolley filled - every tin or packet makes a difference to someone.

The Trolley will still be there, so I hope that you will still continue to support us.

A big thank you to everyone at St Bryce for their kindness to us all.

Session Clerk Report

As well as the normal business of the Kirk Session members met in conference in January to consider the challenges facing churches in the near future. We watched the video "Re- Imagining Church" and figures were circulated showing the age profile of ministers in the Church of Scotland and the projected forecast for vacancies in the future. Small groups discussions on how these will affect our own church and possibly solutions, followed with the findings collated to be revisited in the near future.

Members of Session and some members of the congregation have also attended meetings on the same topic organised by the Presbytery Strategy and Resorting Committee.

The video was also shown during the service on 3rd March and members of the congregation were invited to stay after the service for a discussion.

GDPR New Data Protection laws came into force on May 25th 2018. This affected individuals responsible for collecting, editing, sharing, disclosing etc. personal information in church. In order to understand our responsibilities under the new regulations several members attended training sessions.

A Data Audit is being undertaken and Consent Forms and Privacy Notices have been personalised for St. Bryce Kirk.

All the Church Teams have had a very busy year as follows:-

Communication The Communication team worked on a Welcome booklet for visitors to worship so that they are aware of what normally happens during our Sunday service.

This A5 booklet is available at the church door and upstairs in the church for any visitors.

The team continue to produce our Cornerstone magazine and are active in live streaming services.

The website is updated and we thank Ann Winters for her help and support with this.

Fabric A grant for £10,000 was awarded for repairs to the Rose Window which were completed by the autumn. A PowerPoint of the work done played in the foyer generated a lot of interest.

The lecture room and GP rooms were redecorated by team of volunteers. The "painting team" were thanked for all their hard work.

The manse has new flooring in kitchen.

Cabins at the back of the church have had leaky roofs repaired. Down pipes at the back of the church were replaced.

College technicians have made adjustments to sound systems and wiring.

A water meter and solar panels have been installed. Electricity, gas and water consumption continue to be monitored but early indications show savings have been made and there has been a positive environmental impact.

Annual maintenance checks on the building have been quoted for and work will be carried out as necessary.

Fellowship Team Soup lunches continue to be well supported and various charities and church groups have benefitted from your donations.

The quiz night held was most enjoyable, with eight teams battling it out. It is hoped to hold another one in the near future.

The Festive Celebration Tea followed the Carol Service on 9 December. Working alongside the Pastoral Care Team it went very well and seemed to be enjoyed by all partakers.

It is hoped in the near future to run a Film Club. So watch this space!

Pastoral Care Team A Service and Tea took place last Easter Sunday afternoon. It was well attended and seemed to be appreciated and will be repeated this Easter Sunday.

The Summer Tea was another successful event. Entertainment by the Praise Band went down very well. The new style meal was enjoyed and the surroundings in the Coffee Bar were appreciated. This year's event will be held on 23.6.19. The Care Team will put out invitations and arrange transport.

The Telephone Team began their calls in September and the website has been updated.

It is hoped to purchase a defibrillator in the future thanks to a generous donation from the Guild.

The team continue to support the Food Bank and gave a donation of Easter Eggs for distribution with food given out to clients.

Lorna Findlay (NHS) provided a basic First Aid Training Course in February

Eco church Planting has taken place in a few areas in the church gardens, with the help of the Young Church. The area outside the cabin (with the bird table) has been dug over and has been left "au natural" to let the wildflowers grow in support of the bee and butterfly population. A sign will be added to the area to that effect so that it is not simply thought to be uncared for! We would like to continue linking in with the work of the Young Church where possible and relevant.

Money raised so far by the team will be used to pay for our congregation's membership of Eco Church Scotland (£100). We hosted a soup lunches in the New Year. The proceeds will finance an Eco trip for the young church.

Finance Following a review of the calculations for our Ministries and Mission allocation, we received a refund in 2017 and a reduction in our payment for 2018. Despite this we are still looking at a deficit this year.

A letter regarding the church finances was sent to every member on the church roll in the autumn with a follow up letter giving more detail to be sent out soon.

Centre Management Report The St Bryce Centre continues to be a valuable asset in the local community, providing meeting places not only for church groups but also for community and charity groups. The hire of the rooms is competitively priced in comparison to others locally.

Several concerts, conferences and the college graduations have been held throughout the year.

The Coffee Bar manned by volunteers continues to provide a welcoming food venue. Several themed weeks and special events have been held throughout the year. Catering equipment has been replaced as necessary.

The centre and coffee bar advertise regularly to generate more business and therefore more income.

Safeguarding We welcome Anne Aberdein as Safeguarding Coordinator. Anne has a background in Child Protection so is well qualified for the role.

Safeguarding Training run by the Church of Scotland took place in St Bryce Kirk in January 2019. This was well attended with the young church and crèche well represented. There has been very positive feedback from those attending the session.

Young Church The young church continue to explore Scripture with the leaders using various activities to keep the children engaged. They are considering the purchase of an Interactive White Board which would further enhance the youngsters learning. The two notice boards in the Lecture room show some of the activities the children have been involved with, please feel free to have a look.

They held a **Cake and Candy** stall in September and hosted the **Soup Lunch** at

the end of September raising funds to cover the annual contribution of £200 for Umberto the child they sponsor. The remainder was used for materials for the Young Church.

The Young Church took a major role in the family service on the 23rd December 2018 and often participate in services throughout the year.

A **Summer Fayre** was held on Saturday 23rd June 2018. It was a whole family event with many activities in and around the Church Centre including **Medieval Methil**, face painting, bouncy castle, teas, coffees and a barbecue. This raised over £2000.

Thank you to members of all the teams who willingly give their time and talents to our church. I'd also like to thank everyone for their help and support since taking over as Session Clerk.

Thoughts Of Easter

© Deborah Wininger

I awoke before dawn this Easter morn,
Laid very still and just thought,
Not of the eggs and bunnies that Easter brings,
But of the gift of life that it brought,
I thought of that cross he carried,
That crown of thorns on his head,
The nails into his body they buried,
Betrayed by even those that he led,
Up that road to Calvary,
Totally sinless too,
Jesus paid the ultimate out of love,
He died for me, for you,
Love keeps no records of right or wrong,
Love doesn't keep a score,
To our Father in heaven we all belong,
Just as on that day long before,
I looked in the room at my sleeping sons,
Tears slipped from my eyes,
God had done more than I could have done,
To just watch as my son suffered and died,
My Easter held such meaning then,
As I watched the dawn breaking through,
Just thinking of that day so long ago,
When God did what I could not do

THE GUILD

On behalf of the Guild I would like to thank everybody who gave donations for our stalls, especially the Tombola stall, for the Coffee Morning. We raised the fantastic sum of £795.00.

We have only two meetings until the end of our season.

St Bryce Kirk Energy Reduction Projects.

The impact of the recent energy reduction projects has been monitored over the past three years to assess their success. The projects carried out included the following - new boilers and a zonal control system, insulation of major roof spaces, effective secondary glazing, LED lighting and automatic switch off facilities, solar panel installation and numerous initiatives to minimise energy consumption.

The overall impact is that over three years we have **reduced our GAS consumption by 32% and reduced our ELECTRICITY consumption by 34%**. This is an excellent result and has contributed to both reducing our carbon footprint and reducing St Bryce Kirk's energy cost.

Many of the projects were funded by significant grants with St Bryce Kirk making up the difference. The solar panel installation was wholly funded by St Bryce Kirk, however, the solar panels are on target to pay the capital expenditure back in another four years (almost one year earlier than initially projected).

FLOWERS IN THE SANCTUARY

Ken and I are greatly appreciative of those who are part of the Sunday rota for placing flowers in the Sanctuary. These flowers are distributed to members of the congregation who are housebound, suffering illness or bereavement and they are very much appreciated by all who receive them. They know that they are being thought about and are in our prayers. However, for various reasons, the number of people on the rota has dwindled and there are now spaces. Can you help? If you would like to put flowers in the Church one Sunday can you speak to me, please.

Thanking you
